- Cannot contain the color "fuchsia" or visually similar variants
- If you use any *FIRST* logo in your Avatar: Do not change the logo colors
- If you use any *FIRST* logo in your Avatar: Do not skew/misshape the logo elements
- [Optional] Alpha Channels (transparencies) are allowed; Avatars will be placed on a background representative of the color of the Alliance on which the team is participating.

The following rules will apply to the review of your uploaded image:

- By uploading an image, you (Team 1156) are granting *FIRST* an unlimited, irrevocable license to store and display your artwork. This may include, but is not limited to, broadcast, webcast, APIs, print or for marketing purposes.
- Image may not contain material protected by intellectual property laws, including, by way of example and not as limitation, copyright or trademark laws (or by rights of privacy or publicity) unless you own or control the rights thereto or have received all necessary consents to do the same.
- Avatars represent your team identity and must be designed in the spirit of *FIRST* and Gracious Professionalism®.
- *FIRST* staff reserve the right to reject Avatars at their discretion.
- *FIRST* staff reserve the right to reject an Avatar at any time, including after it was previously approved
- Uploading inappropriate content, or graphic content, may result in loss of Avatar access, including any remaining review positions.
- Attempting to access another Team's Avatar Profile, or attempting to gain unauthorized access to the Avatar system (i.e. Brute-force or Hacking) may result in additional action.
- While staff make an effort to review submissions promptly, there is no guaranteed review timeline (particularly between event weeks)

This Avatar can be deleted, but here's what you need to know if you elect to do so:

Since this Avatar has already been reviewed by staff, deleting it will not allow you to reuse this submission position. If you have another Approved Avatar, and you delete this one, we'll revert to using that other Avatar. You cannot "un-delete", so make sure you really want to do this.
